2nd October 2017

Dear Parents and Carers,

BURSARY FOR TRANSPORT COSTS.

A bursary is available to schools to support pupils in Year 12 and 13 on free school meals with their transport costs. The money is to support the cost for organised home-school transport only. The payment will also depend on your child's attendance at school.

You will not receive any money directly as the money will be paid to the Local Authority (Transport Department). The Local Authority will contact you directly to pay the remaining balance over the coming weeks.

Yours sincerely,

Sara Harding
Headteacher.
