10th October 2017

Dear Parent/Carer,

Harvest Festival

This year Regency High School will be holding a pupil only school-based Harvest Festival enabling our pupils to understand the importance and traditional aspect of this religious celebration.

During a Whole School Assembly this last Monday pupils learnt about the meaning and traditions of this festival and will participate in our own form of celebration the following week as part of our weekly Assembly programme.

Pupils and classes have been invited to share some of their work that celebrates the importance of the Harvest and I hope to share some of these contributions on the new school website so please keep an eye out.

In line with tradition, I am asking pupils to bring a donation of food to the Harvest Festival celebration which will be displayed at the front of our hall as part of the service. This in turn will be donated to the local Worcester Foodbank to help people and families in need. A Shopping list is printed on the reverse of this letter which highlights the foods most needed to help this deserving organisation.

Thanking you in anticipation of your support,

Yours sincerely

Tracey Hodgkins
Humanities Lead Teacher
