

Regency High School

Student Voice Meeting 4/5/18

Present: AC, DH, AS, LP, CB, TS.

Apologies: 3EL, 3LW, 4SW, 3KMCC.

Ms Rees-Smith to check why some reps aren't coming to the student voice meetings and feed back to the next meeting.

Agenda:

Point 1 Common room rotation as the common room is getting too busy .Rota to be introduced so not so many students can go in at a time. This may be based on credits (AS's idea).

Point 2 Student exams. LP fed back some students has been quite stressed. Maybe try to have a more space between the mocks. Also the sports hall was very cold – could additional heating be sorted for the exams? LP, CB and TS to talk to Charlotte about this.

Point 3 Drayton Manor RW. TS and CB to feed back to Ryan that this is now the House System with KS5 leavers having a day trip. LP and CB to ask Mrs M to explain this to all KS5 MLD classes as there have been concerns from all classes.

Point 4 A request from all KS5 MLD classes to have a Prom every year and leaver's party or disco at the end of term. LP, TS and CB again to ask Mrs M to remind all MLD classes that these are every other year.

Point 5 Life Skills TS, LP and CB to talk to Mrs M about this as all the council thinks that this is a really important curriculum area. It prepares students for life outside and after they leave school.

Point 6 Leavers party for the end of term

Point 7 Parking problem AS spoke about staff parking on the road as there aren't even enough spaces for staff to park. It is also very dangerous for pedestrians.

AS, DH and AC to speak with Kev and Ken about this and feed back to the next meeting.

AOB:

AS reports that the temperature is cold in the Music Room. There is no insulation in roof. AS DH and AC to speak with Kev and Ken about this and feedback to the next meeting.

Date of next meeting: 26/5/18
