

REGENCY HIGH SCHOOL  
Carnforth Drive, Warndon, Worcester, WR4 9JL

**TEACHING ASSISTANT: GRADE 3 and SEN**

***Permanent 32.5 hours per week - Term Time Only and TED days.***

Regency is a vibrant, generic special school, catering for students with moderate, severe and profound additional needs. We require, as soon as possible, a Teaching Assistant with the skills and experience to work flexibly throughout the whole school. In the first instance, the post holder will become an integral part of a small Wellbeing Team within school and will focus on pupils with challenging behaviour in an SLD and MLD environment.

The Wellbeing Team provides proactive support to ensure the emotional growth/development of young people, to bridge identified gaps in emotional interruption and develop resilience. The school has adopted THRIVE as an assessment tool to inform practice. Experience of Team Teach training is desirable, however, training specific to the needs of our school will be provided.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. The successful applicant will be required to undertake an enhanced DBS check and health declaration.

Applications will be via application forms only, which are available from our website - [www.regency.worcs.sch.uk](http://www.regency.worcs.sch.uk)
