Present: R, K, O, K, A, O, M and A.

Staff: RS, KJ.

Apologies: SJ

	Items:
	<p>Feedback from last meeting: Cast group-KJ fed back to the council that the next event is World Book Day, which is March 3rd.</p> <p>Dragons' Den Enterprise competition-K could this be picked up by the CAST group please? KJ said that this wasn't really a job for the CAST group. KJ will take this suggestion to the SLT meeting to discuss and feedback at the next Student Council meeting.</p> <p>6th form Common Room-O, M and A fed back on this. Although they have looked around school, and met with KJ, trying to find a room suitable to set up as a 6th Form Common Room, there is currently no suitable room available. KJ will take this matter to the next SLT meeting for discussion. However, this will probably be September 2022 before it is sorted. We know this will be a big disappointment for the KS5 students who are leaving in the summer term.</p> <p>Inter-house and inter-class competitions. EC answered this:</p>

	<p>As soon as TD says it is OK, clubs and competitions will start again. EC has begun to organise a Sports Relief House Dodgeball for March 18th This will need to be confirmed by TD.</p>
<p>1</p>	<p>Could the older pupils have larger portions please? Could we have baguettes and jackets offered on the menu, and more fillings for the baguettes please? Possibly salad to add to the cheese and egg and cress. When the cooked breakfast is on, could we have a BLT baguette? Would it be possible to order a week in advance, this would help the cook with ordering for portion sizes and so we don't run out of food towards the end of lunchtime. 4LS</p> <p>We would like a BLT/sausage baguette option on the Friday 'all day breakfast' please. We think that the jacket potato option is small with one filling. Pupils with a larger appetite should</p> <p>KJ said that all school meals should now be booked, and meals selected using Parent Pay. At the moment 30 pupils are not using this system, and this means our cook doesn't know the total numbers for meals until the morning when she has to cook the food. SJ will be sent this information, so she can advise teachers. 4LS and 4DT</p>
<p>2</p>	<p>Could we have a charger for laptop 13 on the upstairs trolley please? Ash will look for a suitable charger and fit this after half term. Can we have a laptop for the Nurture room please? Ash will sort a laptop that will be just for the Nurture Room. This will be installed after half term.</p> <p>5SRS</p>

3	<p>School uniform and colour schemes.</p> <p>SJ unfortunately was tied up in another meeting. RS shared the idea of both KS3 and KS4 having the same colour for the polo and sweatshirt with the new school uniform.</p> <p>We discussed this and K said she prefers different colours for KS3 and KS4. This will allow pupils to have pride as they move up to KS4.</p> <p>As not many student reps were at the meeting today, RS will ask teachers to email their class comments on this matter, and she will then send these to SJ.</p>
AOB	<p>A said he did not know that there was a Student Council meeting today.</p> <p>RS apologised and will remind teachers to let student reps know when they have a meeting.</p> <p>The agenda is sent to teachers before the meeting so they can ask class reps for their suggestions for items to be discussed. Minutes of the meeting with the next meeting date are also sent to the class teachers so the class rep can share with their class what has been discussed in the meeting. RS reminded student reps that there is also a copy of the meeting minutes on the Student Council notice board in the hall.</p> <p>RS thanked K for offering to update the student council notice board (which is in the hall) after each meeting.</p>
Date of next meeting:	<p>Tuesday 15th March 2022. 10am.</p>
