

# Student Council Minutes

Meeting held on: Monday 10<sup>th</sup> October 2022.

Lesson 3 in the hall.

Present: (5BB), (3TB), (3EL), (3KJ), (3JC), (3AH), (4SRS), (5DT), (3JL), (4NH), (4BB), (Base), (5SJ), (Head Girl).

Apologies: (4JCA), (3CS).

	<b>Points Raised:</b>
<b>1</b>	3SP: Can we do a trip to Fort Royal. This was discussed and it was agreed that the council will ask EC if we can have a basketball (and other sports) team that can play matches against other schools.

	<p>Can we have a net on top of the Muga to stop footballs. Students need to practise their football control and keep the ball low. Because of this, there will not be a net put over the Muga, as the money can be spent on the new playground equipment instead 😊</p> <p>Will Zip Wire be fixed? This is not in use as the ground is wet and muddy and is a slip hazard. It will be working when the weather is drier. KB will put the bar out when the weather is suitable.</p> <p>Can we have a pull up bar or body weight gym outside. ME has worked on the playground redevelopment plan. We will invite him to the next Student Council meeting to talk about what equipment we are having and where it will be positioned.</p> <p>Can we have school ties? TD will discuss this in the Senior Leadership Team meeting on Thursday 13<sup>th</sup> and feedback to the Student Council at the next meeting.</p>
<b>2</b>	<p>TD: Learning and reading across the school day.</p> <p>Students had some interesting ideas on this:</p> <p>4SRS asked for a timetable for the library so classes could book time. EM will organise a timetable for teachers to book lessons for their class.</p>

	<p>Lower the shelves in the library so they are more accessible: This would reduce the number of books we can have in the Library. Students can help each other to reach books which helps develop respect and social skills. There is always a member of staff to help reach books too.</p> <p>First News: This is a newspaper for young people. TD agreed that a copy can be bought for Students to read in the Library. EM to organise this.</p> <p>School mascot: lots of interesting ideas for a school mascot (with the school colours on) TD will discuss this in the Senior Leadership Team meeting on Thursday 13th and feedback to the Student Council at the next meeting.</p> <p>Pamper lunchtime club: This would be great for students to have opportunity to chat to each other. The Base rep will ask EB if we can have this club.</p>
<b>3</b>	<p>Ash to take photos of student council reps: As the Student Council were so busy discussing the points above, we will do this during the Meet and Greet/Tutor Time lesson 1. S will arrange this with TD and AH, SR will email teachers the day and time.</p>

**4**

Date of next Student Council meeting:

10th October 2022
