Where: ICT room

Present: K, P, K, K, O, A, M, A.

Staff: SR, KG, TD.

Apologies: R

Regency High School

Points Raised:

1

Student Mentors -KG spoke about the school being a Thrive school and asked if the Student Council thought Student Mentors would be useful. The Council watched a video about the role of the Student Mentor and they all voted that this would be a really useful thing to do.

K said it was a good idea to get to know people and help them with their problems, and they may also be able to help you.

KG spoke about their work on the playground 'checking in' with students who look sad or are on their own.

Students all agreed that they would ask a member of staff to support the student if they needed adult support.

A said it will also be good to put onto your C.V.

Ideas included: Having a mentoring lunchtime club and call it a social club, where students would meet in Key Stage groups.

A working party will meet with KG to plan the Student Mentor role.

Students on the working party:

O, A, K and K. Two reps (T and J) who were not in the meeting may also be interested, and will be invited to join the working party.

KG to send out details of when the meeting will be.

2

3KJ-K:

Lanyards and badges-there will be presented to the newly elected Student Council members at the first assembly after the 16th September 2022.

Could we have the following Lunchtime Clubs in the Autumn Term:

Rounders

Rebound

Gardening

Cooking

Hockey

Basketball

SR passed this information onto EC who organises Lunchtime Clubs

Can we have a separate football area-the Muga has markings for football and people could get hurt if students play football on the main playground or adventure playground.

Can we have more equipment for breaktime please:

Basketball, footballs

Tennis rackets

Tennis balls

SR passed this onto AG who organises breaktime activities. We are not able to have hard balls or rackets as these could be dangerous if they were not closely supervised. AG will be restocking the equipment for the autumn term, with KS3 classes having a box of resources. These are also shared with KS4 and KS5 at break.

Regency High School

	<p>Suggestions for the Playground: More benches Climbing wall across a path-SR passed this idea onto ME. TD said the climbing wall was a good idea and she would discuss this with ME.</p>
3	<p>5SRS Could we have new calculators-SR will pass this onto SG for the autumn. Suggestions for Playground: Shaded area-this is already on the plans for the playground improvements.</p>
AOB	<p>Menus: SR will ask SG and J if baguettes can be cooked more. There was a lot of discussion about the menus and many different requests. Possibly with a week 1 and week 2 menu so there could be more variety. It was agreed that K will work with A to produce a survey looking at the menu for the autumn term 2022. This will be sent out to classes so everyone is able to comment on the menu. These will be sent to SG and J to look at for September.</p> <p>The Student Council were thanked for all their hard work over this academic year 😊</p>

Regency High School

Date of next meeting:	Elections for new class Student Council Reps week beginning 12th September, with Class Reps appointed by Friday 16th September and announced at the first assembly after the 16th.
